STATEMENT OF OBJECTS AND REASONS

After Goa, Daman and Diu became part of India, the provisions of the Mines and Minerals (Regulation and Development) Act, 1957 (1957 Act) except section 16 were extended to that Union territory with effect from 1-10-1963 and section 16 was extended with effect from 15-1-1966. The Controller of Mining Leases in exercise of the powers conferred on him under section 16 of the Act, proceeded with the modification of the mining concessions granted under the earlier Portuguese Mining Laws of 1906 so as to bring them in conformity with the provisions of the 1957 Act. The concession holders challenged the proceedings of the Controller on the ground that the concessions held by them were not 'existing mining leases' within the meaning of the provisions of the 1957 Act. The Bombay High Court in its judgment dated 29-9-1983 held that the concessions were not mining leases within the meaning of 1957 Act. As a result of this judgment, the Controller of Mining Leases could not take further action to modify the concessions. The High Court in another case held that no royalty could be charged on the minerals extracted by the concession holders, as such mining concessions are not mining leases.

2. The above two decisions have resulted in a situation in which all the existing mining concessions in Goa, Daman and Diu are not subject to the provisions of any law. The Portuguese Mining Laws had been repealed on the commencement of the 1957 Act and the aforesaid decisions have declared that these concessions are not mining leases under the 1957 Act. It is, therefore, necessary to bring all these mining concessions under the provisions of the 1957 Act for the purpose of regulation of these mines and for the development of minerals under the control of the Union. The Bill, therefore, seeks to provide for the following, among other matters, namely:—

(1) abolition of such of the mining concessions granted prior to the merger of Goa, Daman and Diu from the date of merger, i.e. 20th December, 1961 and such of those mining concessions granted after the merger from the date next after the dates of such grant, and declaring all such concessions as mining leases under the 1957 Act, which shall be in operation as such, from the dates of such declaration to a period of six months from the date of assent by the President of this legislation;

(2) a right of renewal of the lease under the provisions of the 1957 Act and the rules thereunder after the expiry of the period of lease, i.e., a period of six months from the date of assent by the President of this legislation;

(3) payment of amounts for the abolition of the mining concession and declaring them as mining leases and for the appointment, of a Commissioner of Payments to disburse such amounts;

(4) a validation provision declaring that royalties or dead rent payable for a mining lease under the 1957 Act shall be payable by

the mining concession holders from the date on which their concessions were declared as mining leases and to provide that any amount paid by such concession holders shall not be refundable to them on the ground that the mining concessions are not mining leases.

3. The Bill seeks to achieve the above objects.

VASANT SATHE.

NEW DELHI;
The 13th April, 1987.

PRESIDENT'S RECOMMENDATION UNDER ARTICLE 117 OF THE
CONSTITUTION OF INDIA

FINANCIAL MEMORANDUM

Clause 6 of the Bill provides for payment of an amount of Rs. 61,94,000 to the concession holders or the abolition of the concessions held by them and for declaring them as mining leases under the Mines and Minerals (Regulation and Development) Act, 1957.

Clause 7 provides for the payment of simple interest at the rate of 4 per cent per annum to the concession holders in respect of the amounts payable under clause 6 for the period commencing from the date of assent by the President of the proposed legislation and ending on the date on which the payment of the amounts is made by the Central Government to Commissioner of Payments. It is estimated that this amount will be of the order of Rs. 21,000 per mensem.
